Calling Craftsman of Locally Made Products

Oregon Ag Fest is expanding its annual tradeshow event to include more Oregon-made products. We hope you'll consider participating in our event!

Over 100 booths showcasing various products and services of Oregon agriculture. Vendors will offer visitors the opportunity to touch, taste and buy natural and processed ag products, see demonstrations of old and new machinery, and view the sophisticated technology that help ensure products go from the farm to the market to the home.

Over 19,000 people attend Ag Fest annually to touch, taste, and experience the incredible world of Oregon agriculture in a fun-filled, festive environment. Ag Fest draws tourists as well as residents from all over the state.
