Over 100 booths showcasing various family-friendly and agricultural products will fill the indoor tradeshow building. Vendors will offer visitors a wide-variety of products from home décor, plants, clothing, accessories, packaged food, services, household items, agricultural items and much, much more.

Over 20,000 people attend Ag Fest annually to touch, taste, and experience the incredible world of Oregon agriculture in a fun-filled, festive environment. Ag Fest draws tourists as well as residents from all over the state.
